

Plums with almon

Ingredients:

- * 20 Plums
- * 100 g Almonds
- * 100 g Sugar

Steps:

1. Clean and wash accurately the plums and cut them in half.
2. Remove the pit and add the sugar making sure they are all covered evenly.
3. Put the plums in a tray and cook them, but don't let them go too soft.
4. Once the plums are cooked place them on a serving dish and sprinkle with finely chopped almonds.
5. Let cool down and serve.
